SKETCH

Fee: \$50.00 with completed permit

- The Town Road Supervisor will approve the driveway location and culvert size
- If the Planning Director meets applicant
 - Provide application for site entry permit
 - Collect fee
 - Notify the Town Supervisor and wait until approval is given for the road location/culvert (if applicable) prior to issuing LUP.
- If the Road Supervisor meets applicant
 - Applicant completes permit
 - Supervisor approves entry
 - Supervisors notifies Planning Director of entry approval
 - Site Entry permit and LUP are then issued.
