6:50 Mark Woodcock

7:30 James Mitchell

Next meeting 6:00 p.m. Tuesday November 1st

Meeting closed at 8:00 p.m.

Beck Road
October 25, 2016

Meeting opened 8:00 p.m.

Present: Dave Edblom, Dave Mount, Travis Stolp

Absent: Barb Crow, Wendy Gustofson

Also Present: John Hagglund, Andrew Hagglund, Jim Snell, Katie Hagglund, Sheryl Alvar, Planning Director Sue Lawson Clerk A.K. Cox and Attorney Tim Strom.

Tim Strom brought everyone up to date with Minnesota Road Statutes. There are two issues before the Town, where does the Beck Road end and public use of the road. Dave Mount provided a Road maintenance document compiled from Township records; St. Louis County bills the township twice a year for snowplowing, the Beck Road is included on that list. Tim concluded that the road has been maintained yearly for 6 years thereby making the entire road Township Road to the pin. Next issue is public use of the road through deliveries, service people, County and Township road maintenance. Tim concluded there is public use of the road.

Dave Mount made a motion that the township finds based on 6 years of maintenance by governmental unit and public use that the Beck Road extends to the surveyed corner at the west end of the road, Dave Edblom seconded. Motion passed unanimously.

Driveway application: Andrew and Katie do not currently own property. Jim Snell – how are they going to get access to the Beck Road?

Damages: The government has maintained the road for 6 years or more there are no damages.

Meeting adjourned at 9:00 p.m. Travis made the motion, Dave Edblom seconded. Motion passed.
