

# DULUTH TOWNSHIP NEWSLETTER

DULUTH TOWNSHIP WEB SITE: [WWW.DULUTHTOWNSHIP.ORG](http://WWW.DULUTHTOWNSHIP.ORG) **NOVEMBER 2007**

## What's Coming Up...

**School Referendum**—Nov 6th. This is for Independent School District 381 operation bond funding. The property tax supplement to the school budget will last for 8 years. It is estimated to run about 0.11% of a home market value. **Town Hall polls are open from 7am-8pm.** Absentee ballots are available from District 381 offices.

**Planning Director Needed**, (see page 2)  
**Seeking a Planning Commission Secretary, and a Community Center Event Coordinator** (see p2)

*Thanks to all contributors to this issue:*

Ann Cox, Bob Engelson, Dave Edbom, Helen Hendrickson, Janis Hooey, Kathy Johnson, Todd Lindahl, Janet McTavish, Wendy Meierhoff, Dave Miller, Dave Mount, Shawn Padden, Sherry Rovig, Yvonne Rutford, *our Township webmaster, Linda Holliday, and BB&K Printing for the special color in this issue.*

We are looking for contributors to the Newsletter — short articles about our history, poetry, pictures, etc. that might be of interest to Township residents. *If you would be willing to provide a masthead drawing or picture, leave a note for the editor at the Town Hall.*

**Brian Kinn Benefit, November 27<sup>th</sup> 5-8pm at North Shore Community School.** The fundraiser for the Kinn family is a spaghetti dinner, raffle and auction. Anyone wishing to donate items for the silent & live auction or help with the event, please contact **Susie Lannon**, 525-6072 or **Gina Lemke**, 834-9281. Donations may also be made to the Brian A. Kinn Cancer Fund at the Wells Fargo Bank.

In April 2007, Brian Kinn was diagnosed with a lymphoma brain tumor. Following intensive chemotherapy, he was sent to Rochester for a stem cell transplant.

Railroad History  
The 1923 Steam locomotive #2719 on its maiden run to Two Harbors in late August. Shown at Palmers Station (Homestead Road crossing) where railroad buffs awaited its arrival. Number 2719 is now owned by the Lake Superior Railroad Museum. You may have heard its steam whistle as it made "leaf color" runs on weekends this fall.

## THE HOMESTEADERS

Helen Hendrickson

**November 7<sup>th</sup>**, Wednesday, 12:30pm, Town Hall, Turkey Bingo.

**December 5<sup>th</sup>**, Wednesday, 12:30pm, Town Hall. Christmas Potluck and NSCS musical program.

**January 3<sup>rd</sup>**, Wednesday, 12:30pm, Town Hall. New Year's Potluck.

**Everybody is welcome.**

For information call Helen Hendrickson at 525-4154.

## Police Department

Shawn Padden, Chief

At the September 13<sup>th</sup> Town Board meeting, the Police Department reported 101 police events for August. This included 26 requested vacation/home/business checks, 9 traffic violation warnings, 7 suspicious vehicle checks, 6 ATL careless drivers, and 6 disturbance calls, 6 serving civil process. **Crime Alerts.** Our Police Department maintains an **E-mail Crime Alert** service (it is also on our web site). To receive notices send your email address to [PoliceOffice@duluthtownship.org](mailto:PoliceOffice@duluthtownship.org).

**Vote**  
**School Referendum**  
**November 6th**  
**7am-8pm, Town Hall**

## Community Center Greenhouse

The NSCS Greenhouse Committee asks for **help**.

This summer a large piece of Lexan was broken. We have purchased the 4x10 replacement sheet and, thanks to the **Dan Galyen family**, we saved \$200 in shipping costs. Now **we need someone to install it!**

Also, we are looking for **bagged leaves** and a load of **well-rotted manure** to amend the Three Sisters Garden.

If you can help, please contact **Kathy Johnson**, Greenhouse Chair, at 525-0663 ext106 or **Nikki Carpenter** at 525-7430.

## Open House

Please join us in celebrating **Alvin and Alvera Pierson's** 75th birthdays. Thursday, Nov 8th, 5pm until... at the Lighthouse Restaurant.

*Hosted by the Anderson and Pierson families.*

## Our Township is Looking for People to fill Three Vacancies

### Planning Director

After more than 10 years of exceptional service to the Township, **Wayne Dahlberg** has announced that he will be stepping down as Township Planning Director as of December 2007. We are all very grateful to Wayne for his dedication and service over the last decade. While Wayne's are some big shoes to fill, this is a new opportunity for someone else to rise to the challenge.

The **Planning Director** works jointly with the Planning Commission and the Assistant Planning Director to implement the Township's Zoning Ordinance and Comprehensive Plan, including modifying them to meet the evolving needs of the Township. It is a paid position typically requiring 20-30 hours of effort per month.

**Responsibilities** include receiving new land use permits ("building" permits); conducting site visits and working with landowners to help them comply with the Township's Zoning Ordinance; coordinating the receipt and review of applications for zoning variances, conditional use permits; and attending the monthly Planning Commission and Town Board meetings.

**Experience** relevant to land use and/or construction is great, but not required — what's required most is your interest, willingness to serve, and ability to work with others. The hours, structure and compensation for the position have some flexibility — what we need most is the right person for the job.

**If you might be interested** in the Planning Director position or if you would just like more information about what it entails, feel free to contact **Dave Miller** (Chair of the Planning Commission; 525-1555), **Wayne Dahlberg** (current Planning Director; 525-4469), or Town Board members, **Dave Mount** (525-7961) or **Wendy Meierhoff** (525-0263). Give it some thought — the Township is definitely "*of the people, by the people*", and we need your involvement!

### Community Education Program Coordinator

*Make a difference in the community and make some spending money too!*

The Township is looking for someone to coordinate our Community Education Program and other activities at the Community Center. We've had a great start for the Community Ed Program and want to see it develop further. The position's primary responsibility is to coordinate the development of the Community Ed Program. This doesn't necessarily mean teaching courses (though that's great too), but working to identify and recruit instructors for a diverse set of offerings. As part of this, the Coordinator will prepare announcements of upcoming courses, register participants, help instructors with logistics, and coordinate use of the Community Center facilities with staff of the charter school.

We estimate the position will require 8-12 hrs per month, at a pay rate of \$10/hr. The Community Education Program has a dedicated budget managed by the Coordinator. This is a chance to use your imagination, and offer unique educational opportunities to the community, building from the courses offered previously. So come on, step up to the challenge to make a real difference in our community, meet some great people, and make a little money at the same time.

If you would like to know more, questions can be directed to **Wendy Meierhoff** (Town Supervisor) at 525-0263. Apply for the position by sending a letter of interest and a brief resume or description of your background to *Duluth Township, 6092 Homestead Rd, Duluth, MN 55804*. We are anxious to fill the position, so please send your application by **Nov 20**.

### Planning & Zoning Secretary

The Duluth Township Planning and Zoning Commission is seeking to fill a secretary position.

*Location:* Duluth Town Hall (may work at home periodically).

*Hours of work:* 4-6 hrs/month on last Thursday of the month preparing and taking minutes for Planning and Zoning meetings. 1-2 hrs/week to follow up on necessary procedures and process building permits, conditional uses, variances, filing and routine office work.

*Salary:* \$150/month salary, plus \$10/hr for unscheduled meetings or projects.

*Skills Required:*

- Basic computer skills such as word processing, filing, and email.
- Willingness to learn computer applications and web page procedures as they apply to Planning and Zoning.
- Ability to take minutes and handle routine correspondence.
- Interpersonal skills to effectively interact and communicate with the public, Township staff and Planning and Zoning Commission members.
- Basic knowledge of Geographic Information Systems (GIS) and/or willingness to learn.

For a complete list of work responsibilities, please contact **Dave Miller** at 525-1555, email [damiler1988@msn.com](mailto:damiler1988@msn.com).

Interested candidates must submit a resume and brief narrative addressing required skills **by Nov 16<sup>th</sup>**. Send your resume to: *Planning Commission Chair, Dave Miller, Duluth Town Hall, 6092 Homestead Road, Duluth, MN 55804*.

## Community Services Available in Duluth Township

AA meets every Monday at 8pm at French River Lutheran Church on Ryan Road.

### Clifton Volunteer Fire Department

*Bob Engelson, Chief*

There were 2 fires and 4 medical calls in September. *Water Tanker.* A used chassis for our 5000 gallon water tank has been purchased at a considerable savings. We are waiting for news about our FEMA grant in for a pumper/tanker which will complete our fleet. **Volunteer Fire Fighters** — The *Clifton Volunteer Fire Department* needs residents who would like to be a volunteer firefighter. It's a great way to serve your community. Call Chief **Bob Engelson**, 525-6819.

### Summary of Planning Commission Meetings

*(Official minutes are available at the Town Hall and on our Township web site: [www.duluthtownship.org](http://www.duluthtownship.org))*

*(Minutes for the August 23<sup>rd</sup> and September 27<sup>th</sup> meetings were unavailable at publishing time but will be reported later)*

**The Next Planning Committee meetings: (usually the 4<sup>th</sup> Thursday) 7:00pm in the Town Hall.** The Nov. meeting will be posted at the Town Hall. The first 2008 meeting is **Jan 24<sup>th</sup>**. Residents are urged to attend these meetings.

### 1935 Train Wreck

*Todd Lindahl*

Business had slacked off dramatically on the railroad following the first year of the great depression. As a result of this, the volume of train traffic was adversely affected and had become just a fraction of what it was in the good old days. Accordingly, the number of serious train wrecks had decreased too, and happily became fairly rare events.

Then at roughly 11:30 A. M. on December 23, 1935, a westbound freight running from Two Harbors to Duluth hit a broken rail on the first curve east of French River. In an instant, engineer E. T. McGowan's locomotive left the rails and headed off into the ditch. Luckily the engine somehow managed to stay upright saving the engine crew from certain injury or death. Behind the locomotive, the next 17 cars piled up in a narrow cut, which totally blocked the railroad. Pulpwood was scattered everywhere and the tracks were torn up for over 300 feet. Two of the freight cars involved were all but completely destroyed by the force of the crash.

In the days following the wreck, two passenger trains met here with each being on opposite sides of the wreck. Passengers, mail, and baggage were "portaged" around the wreck in both directions until the mess was finally cleaned up and the track repaired. It had been an unpleasant reminder of a bad day in the good old days.

## Public Water Source Restored to Town Hall

For many years, there was a water hydrant located in the wellhead at the Town Hall, between the Town Hall and the Fire Hall. Many residents used this as a source for occasional water needs. Earlier this summer, this hydrant was removed as part of several changes needed to bring the Town Hall well into compliance with the County. In October a sillcock was installed at the Town Hall on the North wall of the building (the side facing the Fire Hall), behind the side entry into the kitchen. Citizens are welcome to use this sillcock if they need small quantities of drinking water.

### Summary of Town Board Meetings

*(Official minutes are available at the Town Hall and on our Township web site: [www.duluthtownship.org](http://www.duluthtownship.org).)*

**September 13<sup>th</sup> meeting.** All Supervisors attended. **Highlights:** Our August ending balance is \$796,646.97. **Police** contract wage increase of \$0.60/hr was approved. **Fire:** Purchased used chassis for a tanker. **Roads:** to be graded early October. **Community Center:** repair work: replaced toilets/sinks, water softener, music room insulation, flooring in pre-school room; septic system will have new pipes/renovation of the mound with *Matrix* accepted as the consulting firm. Walt Carter's bid for an emergency road was accepted. **BAT:** there is no funding for a large addition project without considerable outside funding. Other stepwise options should be discussed. **Community Education:** looking for a coordinator (see p2). **Planning:** Odyssey Stoney Point development is discussing a subdivision rather than a PUD. In either event, the Township will be involved. **Recycling:** Roadside recycling below expressway has started. Old south shed will not be moved due to cost. **Carolyn Marino** was appointed to take **Jeanne Anderson's** position on the NSCS Endowment Board. Possible grant for bike paths and extension of Community Center trail was discussed.

**The Next Town Board meetings: (2<sup>nd</sup> Thursday)**

**Nov 8<sup>th</sup> and Dec 13<sup>th</sup> at 7:00pm in the Town Hall.**

*Residents are urged to attend these public meetings*

### Harvest Dinner 2007

#### **A Benefit for our Volunteer Fire Department**

Thanks for this year's Harvest Dinner go to many: Jody Anderson, MaryAnn Daniel, Judith Torrance, Pat Halverson, Sherry Rovig, Barb Crow, JoAnn Norgren, Tricia O'Keefe, Stacy LaVres, Janet Lampi, Jason Rovig, Rita Bergsted, Ann Cox, Bill Hartman, Inez Wildwood, Carol Leppala, Deb Shubat, Helen Hendrickson and Terri Carl from Northshore School.

Local businesses made some great contributions: The New Scenic Café, The Lighthouse on Homestead, Lorre and Gary Youngquist Firewood, Alakef Coffee, K and Z Farms, Shubat's Fruits, and Old World Meats.

The musicians, Louisa and Bob Fabbro along with Duane Madison, had people tapping their toes. Jody Anderson, Barb Crow, Deb Shubat and Sherry Rovig filled in during breaks.

The Clifton Fire Dept. and First Responders thank the community for its fine response. *See you next year!*

**Notes on Zoning**

*Dave Miller, Chair, Planning Commission*

*This is the first in a monthly series on our Township's Zoning Ordinance. The intent is to explain, educate and clarify for residents various aspects of our Ordinance. This first is about recent changes that have been made. A copy of the Zoning Ordinance is available for review and/or purchase at the Town Hall and it can be acquired for free on our web site: [www.duluthtownship.org](http://www.duluthtownship.org).*

At the August Town Board meeting the Board passed an Amendment to the existing Ordinance that was recommended by the Planning and Zoning Commission. The Amendment clarifies specific sections in the Ordinance and adds two new sections that were not covered but have become necessary to deal with emerging issues. Following is a summary of the Amendment (specific language is available at the Town Hall).

**1. SHORT TERM RENTAL OF RESIDENTIAL PROPERTIES**

There is no section in the ordinance that covers short term rentals which is becoming more prevalent in the Township. The intent and effect of the change is to restrict short term rentals to specific zones and define short term rental as 30 days or less with appropriate conditions and performance standards.

**2. MODIFICATIONS OF TIMBER HARVEST IN RIPARIAN AREAS**

Existing language was revised to clarify timber harvest in the Shoreland Overlay zone.

**3. MODIFICATION — SUBORDINATE RESIDENTIAL DWELLING**

The intent and effect of this change is to clarify and define what is permitted and standards for a subordinate residential building in addition to the primary residence. This will limit occupancy to family members only.

**4. SUB DIVIDING PARCELS OF PROPERTY FOR SALE**

The intent and effect of this new language is to insure that maximum lot requirements are maintained on the parcels split off. This will affect the impervious surfaces allowed on the split off parcels.

**5. MODIFICATION AND REORDERING OF ARTICLE XII — PLANNED UNIT DEVELOPMENT (PUD)**

The intent and effect of this change is to clarify the administrative process of applying for a PUD and to divide the process into two separate parts with a separate public hearing required for each part. The first public hearing will be on the "Preliminary Concept Plan", and the second is on the "Final Plan".

**6. SECTION XIII — THE PLANNING COMMISSION**

The intent and effect of this change is to clarify who hires Planning and Zoning Commission staff. The new language gives the Commission the authority to hire staff rather than the Town Board.

**7. MODIFICATION TO LIGHT INDUSTRIAL USE (LIU) DISTRICT**

Section 17 of the Ordinance is repealed in its entirety and replaced with new language. The intent and effect of this change is to strengthen the review process for an LIU when ownership changes, strengthen performance standards required, and minimize conflict between dissimilar uses.

**Building Assessment Team (BAT)**

*Steve Dahl, Co-Chair*

The team meets the first Tuesday at 7pm (but no meetings in November and the January meeting is the 8<sup>th</sup>, not the 1<sup>st</sup>). Wayne Dahlberg and Kevin Holm have volunteered to work up options for phased steps to meet space needs at the Community Center.

**Senior Housing Initiative**

*Dave Edblom, Chair*

The Committee is exploring options for creating affordable housing alternatives for local senior citizens who would prefer to live in the Township near friends and family.

The Committee is **looking for suitable land** for purchase or trade. An ideal would be 20-40 acres in a central or accessible area. If you have land that you would be interested in having used for this purpose, please contact Chair Dave Edblom (525-1276), or Supervisor Wendy Meierhoff (525-0263).

Regular meeting times are the second Monday each month at 7pm in the Town Hall. Interested residents are welcome. *There will be no meeting in December.*

*Please note that the Korkki-Nordic Ski Trail is non-motorized. Snowmobiles and ATVs should not use these trails.*

**Duluth/North Shore Sanitary District**

*Mary Ann Sironen*

D/NSSD Board meetings are held the second Wednesday of each month at 7 in the morning at French River Lutheran Church on Ryan Road. Public comment and discussion is a part of each meeting and all are welcome.

For sewer service, contact Eric Appelwick, Northeast Technical Services, 624-8042, [eappelwick@nettechnical.com](mailto:eappelwick@nettechnical.com).

**Duluth Township Thank you**

Thank you to all the many kind friends and neighbors who brought greetings, cards, dinners, and desserts while we were unable to do for ourselves. This was a very sudden change for us when we couldn't so easily do for ourselves. Thank you to all of you wonderful people. *Jerry and Harriet Driscoll.*
